INMILIFE

There are places I'll remember
All my life, though some have changed,
Some forever, not for better—
Some are gone and some remain.
All these places had their moments
With lovers and friends
I still can recall.
Some are dead and some are living—

In my life,
I've loved them all.

But of all these friends and lovers,
There is no one who compares with you.
And these memories lose their meaning
When I think of love as something new.
Though I know I'll never lose affection
For people and things that went before—
I know I'll often stop and think about them.

In my life

. . . I'll love you more.

We would like to thank Mr. Heron and Mr. Ayotte for their help. We are most fortunate to have had Mike Hachey working with the staff. Although he is a junior, he has worked diligently for both our yearbook and the preceding year's. We only hope that he is not too exhausted to work on his own.

We thank all those who stopped long enough to care for us. We thank all those who tried. To those who paused a while, 'neath the flickering lights of our past, and managed to hear music in our uncertain cries for help, we thank you most earnestly.

But, to those whom, when thought of, choking sobs rush to our throats, what words can be uttered? Between our tears and forced smiles, tell us how to thank "You." The ones who have become a living portion of the shadows of our lives . . ., those who have enabled us to feel a closeness to life . . ., You, who took us up in your concern and taught us the meaning and true beauty of people . . ., To all the outstretched hands that reached out to hold us steadily during these four trying years . . . How is it possible to express our gratitude?

Could we ever find something to give you in return? How does one repay time, concern, and effort? We have so little, but we will not go without giving you something.

To you we leave the smiles of our past, the tears of our present, and the colors of our future.

Also, we leave you a memory placed gently between the covers of this book. To you we dedicate our Yearbook.

To Mr. Robert Heron, who incessantly encouraged us with his radiant warmth, we owe our fondest appreciation. Without the presence of his dynamic personality we could not conceivably have gotten through our "great ordeal." His guidance has been invaluable in the production of our yearbook. He has cared. We would like to bestow our tremendous gratitude upon him, and we would like also at this time to give him our farewell.

During these four years, there has been one person who has taken the great responsibility of guiding our every effort. He has helped us with our marvelous ventures over the years and his classroom has become the official headquarters of the Class of 1970. Without his advice our class would be in a state of chaos. The impression he has left cannot be removed. We now extend our thanks to our advisor, Mr. John Minichiello.

In our senior year we were confronted with some major crises. There seemed to be a lack of interest among us, but someone came to give us a new spirit: he scared it out of us. He gave us what we needed to realize our responsibilities. Even before he officially became our co-advisor, he was always there to help by introducing new ideas. We shall always remember the thoughtfulness of Mr. William Mohan.

ADMINISTRATION

EDUCATIONAL SUPERINTENDENT

The job of a superintendent isn't an easy one. Mr. Anthony Mini-chiello has attained a high degree of success through his understanding of the many problems facing a school system in a growing community. Through his time and efforts he has improved the Bellingham school system and for this he is respected by everyone.

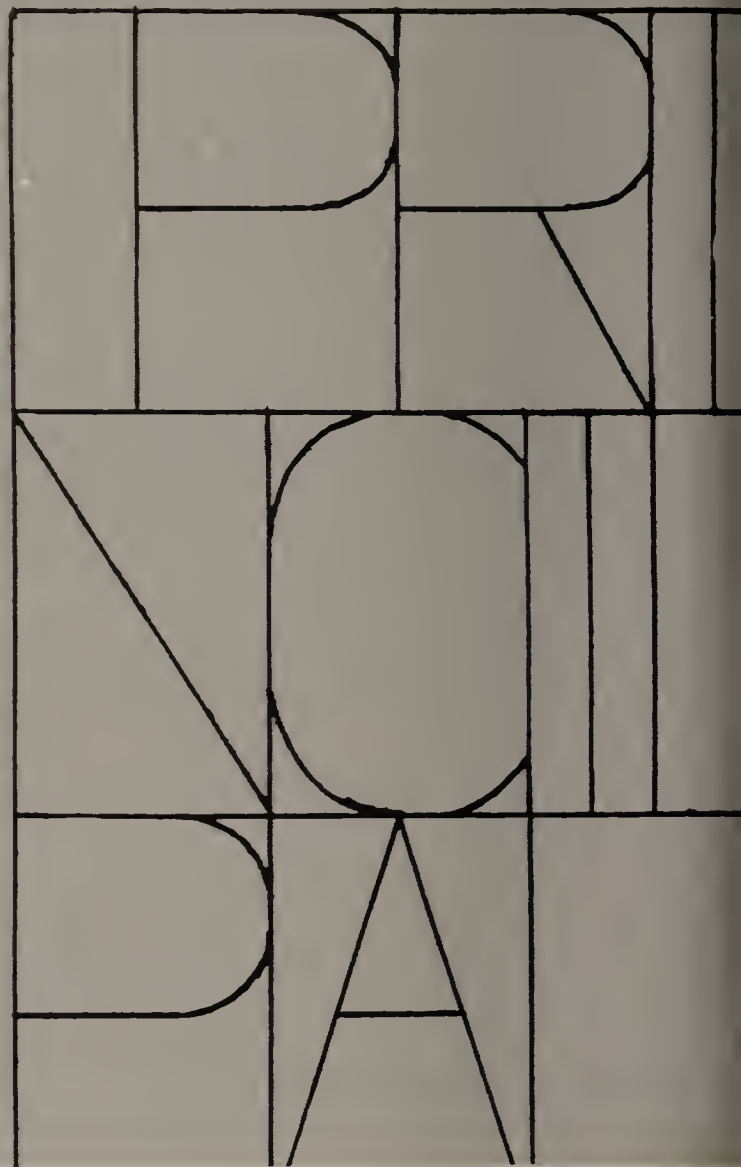

P R I N C I P A L

Mr. Albert A. Manning

The role of a school principal is understandably a hard one to face. In his fourth year as our principal Mr. Albert Manning has attained honor and recognition in this role of importance. The responsibility of a principal is of great consequence in regard to the success or failure of a school. We can certainly say that Bellingham High has succeeded..

VICE

Mr. Gerard E. Frappier

The position of assistant principal requires dedication and determination. Mr. Gerard Frappier possesses these qualities in excess and exhibits them profusely. Mr. Frappier, through his undying efforts, has stimulated the spirits of the students at Bellingham High. Words cannot express the respect and admiration we have for this man.

Class History

The Class of 1970 is now facing the final step in its high school life—graduation. Four years have gone by and we now stand at the door of adulthood. We worked hard to achieve our goal—a signed diploma—and now it is within our reach. We are not able to relive four years of high school, and so we are content with the memories we have acquired. But before we leave let us be permitted to review these memories.

In September of 1966 we became freshmen, not knowing how we ever made it through eight years of schooling . . . we were so young and eager . . . now we were able to act as the Class of 1970, but 1970 seemed so very far away.

Under the guidance of our advisors, Mr. Minichiello and Mr. Cheever, we wisely chose Bradley Wong as our president, Jeremiah Padula as vice-president, Dorothy Bartolet as secretary, and Barbara Volk as treasurer . . . how would we ever be able to adjust to this new life? . . . the Freshman-Senior Get Acquainted Dance helped us a lot . . . we were told to be watchful of the seniors, but we also realized that someday we would be just like them . . . we all loved those fantastic basketball games . . . final exams came soon . . . our freshman year had ended after much instruction and anticipation.

Sophomore year . . . 1967-68 . . . no longer the "school babies" . . . First on our agenda for the new year was elections . . . elected were Bradley Wong, president; Paul Hennessey, vice-president; Elizabeth Kelly, secretary; Diane Roy, treasurer . . . all capable of making the year a prosperous one.

Soon we were plagued by the PSAT's . . . how can SAT's be more difficult??!! . . . soon we would find out . . . Dissections were a common thing in biology class, that is . . . woeful cries of "I think I'm going to be sick" and "Really sir, I can't bear to touch it" prevailed through the duration of the course . . . In March, we had our first taste of "Career Days" . . . the girls just couldn't understand why they weren't granted permission to hear the Armed Forces' speakers.

To raise money, we found ourselves raffling off a pool table . . . "It's the finest pool table in the world," "The lucky person who wins this pool table is sure to become a pro" . . . those and more were our persuasive sales pitches . . . In May, the Class of 1970 held its very first dance . . . considering the fact that we had no idea how a dance was run, we made out quite favorably.

Finally we were measured for our class rings . . . our only dissatisfaction was the long wait before receiving them.

Then we were juniors . . . 1968 . . . 69 . . . displaying our shiny class rings proudly . . . to us they were the symbols of upperclassmen . . . Leading us on were Bradley Wong, president; Paul Hennessey, vice-president; Elizabeth Kelly, secretary; Diane Roy, treasurer . . . nothing could stand in our way now.

Our candy sale at the beginning of the year turned out to be a success . . . and who can forget those car washes . . . Mr. Mohan seemed to enjoy every one . . . next came our play, "The Diary of Anne Frank" . . . we really proved that we were capable of taking on responsibilities . . . thanks again, Mr. Crepeau . . . After waiting three long years we held our first prom . . . Deborah Martin was chairman, co-chairman was Dorothea Ferrone . . . "You'll Never Walk Alone" was chosen as our theme . . . Reina Garvin was crowned queen and Larry Minnis, king.

The tension was beginning to mount concerning post-graduation plans . . . we took so many tests . . . College Boards proved to be a new experience . . . Well, we were almost there . . . final exams and then suddenly our junior year ended with a feeling of excitement, knowing that we would soon be called seniors.

Senior year . . . 1969-70 . . . suddenly we found ourselves on a double-session schedule . . . in our seats for 7:30, out by 12:10 . . . SENIOR PRIVILEGES . . . open studies . . . to the surprise of everyone, it lasted . . . Advisors for our final year were Mr. Minichiello and Mr. Mohan . . . Before elections we sponsored the annual Freshman-Senior Get Acquainted Dance to honor the incoming freshman . . . elections were held the following week . . . elected were Bradley Wong, president; Richard Ranieri, vice-president; Elizabeth Kelly, secretary; Diane Roy, treasurer . . . Kathy Bernardi was voted Sr. Prom Chairman and Dorothea Ferrone, Co-chairman.

In October, we found ourselves washing cars to boost our funds . . . if you recall, cars weren't the only things which were washed that day . . . We also sponsored a hay ride . . . everyone was completely astounded by the size of the bonfire . . . The Program Committee busied itself by making food baskets and distributing them to needy families for Thanksgiving.

"Flowers for Algernon" was the title of our Sr. Class Play . . . the cast was truly superb and both performances were tremendously received . . . Mr. Crepeau, who directed, did a fine job . . . In keeping with the Christmas season, our class sold Christmas trees . . . if you hurry, we may still be able to sell you a nice one . . . We tuned up our voices for caroling and made many of the elderly and disabled very happy . . . Remember stuffing the group into Mrs. Ferrelli's house for coffee, and the party we had afterward??

After the New Year, as we were measured for caps and gowns, we realized that soon Senior Week would be upon us . . . sure enough, it was . . . the trip to Frank Davis's . . . our Commencement, "Romeo and Juliet" . . . the apprehension . . . what were once realities are now memories . . . memories full of meaning for all of us . . . we realize now that in our lives, we'll love them all.

The National Honor Society has had quite a successful year. A car wash was held for a fund-raising activity as well as the selling of key chains and posters. New members of both the junior and senior classes were brought into the society by the annual induction on March 2. A buffet was served and entertainment was provided by the chorus.

"The Sounds of Scripture" is truly a credit to Bellingham High. The ambition, originality, and initiative of the members of the Newspaper Staff cannot possibly be beat by any other school around.

The Staff

Newspaper Staff

Starting off the year with renewed enthusiasm sparked by new advisors and meetings during school, the Student Council initiated the idea of allowing girls to wear slacks for the first time in Bellingham. They held the annual Christmas Show and formed their own Constitution. Hampered by the lack of funds, the Council held a successful candy sale. The Student Council went on to further plans and the students enjoyed the toboggan party-dance, and a Folk-Rock Festival. They ended the fruitful year with a banquet.

The Future Teachers of America Club is made up of students exploring the teaching profession. Their goals are to better understand and appreciate the school and its system.

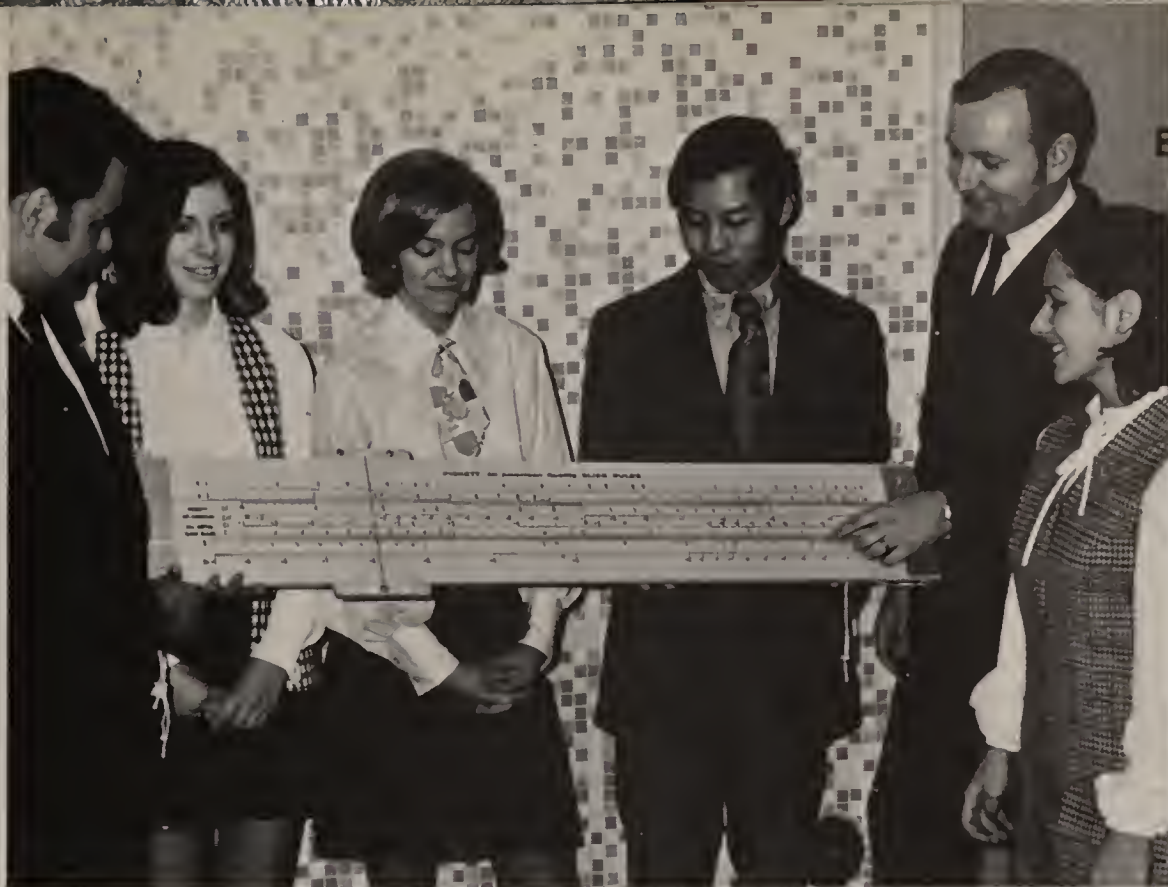

The club is limited in its activities for they are keyed to expose to the students different phases of the teaching profession.

This year, many members participated in the teacher assistant program and also observed teachers at the various elementary schools.

Future Teachers of America

Mr. Guernon—Advisor, Dora Tosches—Vice President, Marsha Bennett—Secretary, Bradley Wong—President, Mr. Kearnan—Advisor, and Deborah Rhodes—Treasurer.

The Math Club is new to our school this year, and has introduced a new phase of competition with various schools in the area. For a relatively new club, it has been quite active: it seems evident that it will gain even more importance in the future, and this endeavor will undoubtedly bring us a type of scholastic honor never before attainable.

Drama Club

Freshman, Sophomore Play

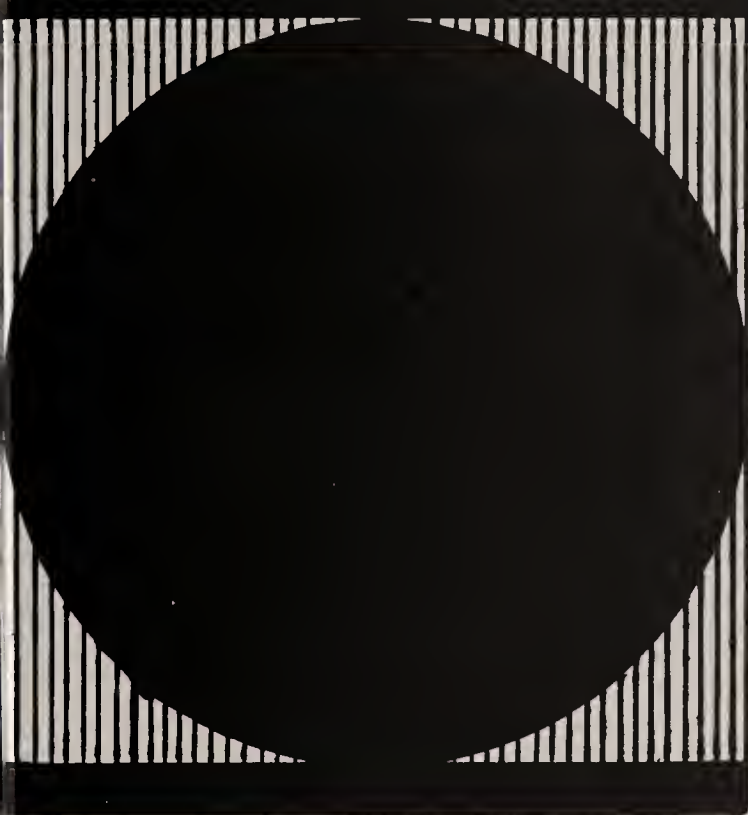

Senior Play

Junior Play

The Drama Club had an excellent year with the production of three one act plays. The Seniors chose "Death of a Hired Man," Juniors "Nightmare" and the Sophomores and Freshmen "Sorry Wrong Number." The play, "Monkeys Paw" was performed by the club in State Competition.

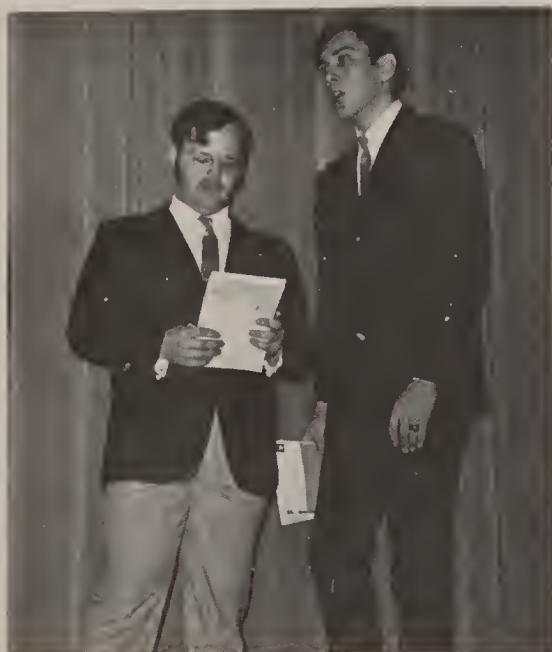

Carol Durkin Secretary, Maria Caccavelli Treasurer, Deborah Mallard President, Deborah Rhodes Program Chairman, Linda Hamelin Vice President, Mrs. Valorie Advisor.

The French Club, under the direction of Mrs. Valorie, has had one of its most successful years. Fund raising activities included cake sales and a very clever idea of having a French Cafe in the auditorium. Many seniors and teachers enjoyed taking part in this activity during studies and free periods. The members also enjoyed a trip to a French Restaurant.

CHORUS

This year's Chorus was the best Bellingham High School has ever seen. Last Fall many members competed with other schools for a place in the Southeastern District Chorus. The performances made throughout the year included Parent's Night, Christmas Concert, National Honor Society Induction and the Annual Spring Concert. For the first time the Chorus consisted of both male and female voices. Many more boys are needed.

Paul Robinson

The Chess Club, led by Coach Mr. Cheever and Captain Greg Graves, has had another successful season. For the third year in a row, the team captured the Mostek Trophy from Mt. St. Charles. Their record was 3 wins and 4 losses and they were in 2nd place for the Blackstone Division of the South Shore Chess League.

Captain Greg Graves makes a move.

Chess Club

Ski Club

Headed by Miss Fiore and Mr. Mohan, the Ski Club schussed into a fine season. The major activity of the year was the annual ski trip. This year we again journeyed to Mount Snow for sunny day of skiing. Despite a few minor catastrophes, everyone enjoyed himself immensely and no one wanted to depart. Additional day trips to nearby slopes were planned for the remainder of the season.

Art Club

In its second year at Bellingham High the Art Club is advised by Miss Jeanne Stevens. Officers are Linda Minnis, president; Veronica Allen, vice president; Julie Bouffard, secretary; and Pauline Gareau, treasurer.

They work with kites, rubbings, and ceramics. Also many other medias of art not usual to the classroom are used.

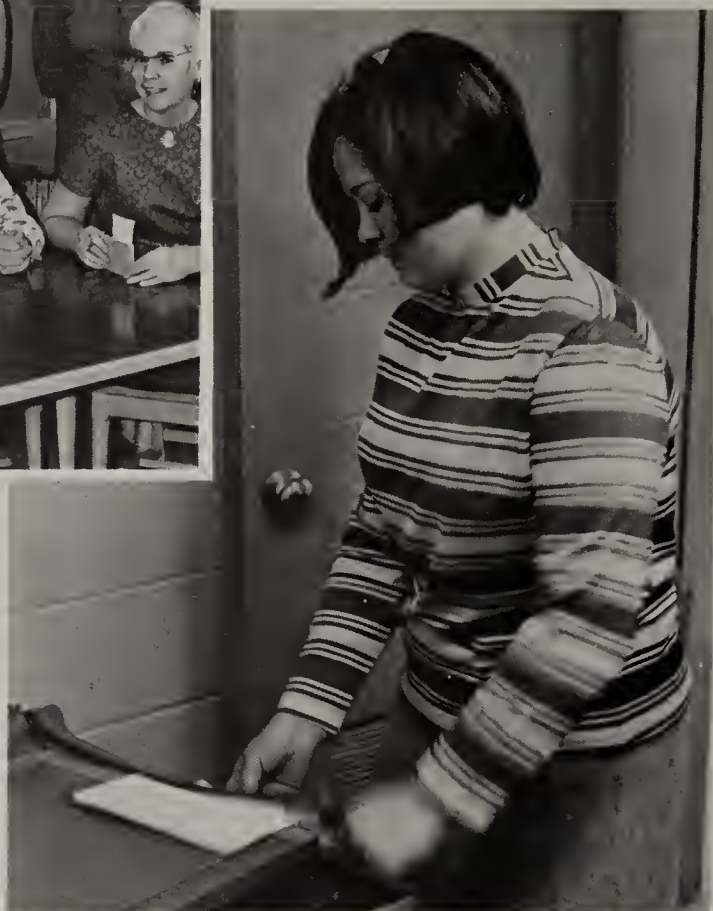

This year the Athletic Association has been a tremendous asset to the spirit and morale of the school. Their enthusiasm for the school was only surpassed by their ingenuity. When the atmosphere of the school was cold, the A.A. was there to warm our spirits by selling hot coffee and snack. They also sold flowers and a countless number of tickets to benefit the school.

Library Aides

The Library Aides spend most of their free time helping Mrs. Kelly with the numerous tasks of maintaining an orderly library. If it were not for the efficiency of the aides, Mrs. Kelly would find it nearly impossible to manage all the necessary work.

The Audio Visual Aides, under the direction of Mr. Morin, supply classrooms with record players, projectors, and screens. Their excellent performance has lessened the burden of those teachers who are introducing new teaching aids in the classroom.

Handicapped by a lack of participation, Coach George Anderson nevertheless led the Track Team through another full season. Whatever the team lacked in quantity, they made up in spirit. Highlight of the season was a victory over Nipmuc in their last meet. Coach Anderson is looking forward to a more successful season this year with high hopes for greater participation.

Another First Place for Ted Bennett in the 220.

Cross Country

Hindered by a lack of participation, Coach Paul Cournoyer's Cross Country Team nevertheless enjoyed a fine season. Top harriers Art Ferland and Ted Bennett led the team. Only a Sophomore, Art Ferland has two more solid years of running in which to add to the prestige of the Cross Country Team.

The 1969 football season was a rebuilding season for the George Anderson coached Blackhawks. The team was also hindered by a pre-season injury to co-captain Bruce Ratteree.

Offensively the team was led by Denis Hardy, M.V.P. Ratteree, sophomore quarterback Steve Labasti, and most valuable lineman Steve Godin.

Throughout the season the team played as best as they could against larger and more experienced teams. Highlight of the season was the disputed 15-14 loss to Norton on Thanksgiving Day.

Next season the team will center around Labasti, Godin, Bill Oliver, and Bill Pinheiro.

This year the girls' basketball team made the switch from the previous six-player team to the "boys-style" five player team. Led by Co-Captains Paula Dupre and Shelley Zinn, the girls' basketball team enjoyed another successful season. The team coached by Miss Lois Woods had a fine Tri-Valley Conference record of 4 wins and 5 losses, and an overall record of 7 wins and 5 losses. Paced by leading scorer Cassandra McDaniel and sophomore Nancy Ottman, the girls improved in their style as the season progressed.

Coach Woods feels that next year Bellingham will be the threat in the T.V.C. to sweep the league. Returning lettermen will be: Juniors—Cassandra McDaniel, Connie Kanaski, Diane Verhoest, Sophomores—Nancy Ottman and Sue Belheumer, and Freshman—Jeannie Powers.

Varsity

For the Blackhawks this was the year. Coached by Mr. Canestrari, the Hawks captured first place in their division and a berth in the Tech Tournament.

Led by Tri-Captains Brad Wong, Larry Minnis, and Pete Martel the Blackhawks tradition of a winning season was upheld with an excellent overall record of 14 wins—3 losses, and a T.V.C. record of 13 wins—3 losses.

Bob "Satch" McDaniel, the league's leading scorer, and Larry Minnis did most of the rebounding and scoring. Bruce Crepeau, Brad Wong, and Pete Martel did a great job of setting up plays. Al Ricciardi and Paul Peterson filled in well when needed. The Hawks' tough zone defense stopped many an opponent.

Graduation losses are Tri-Captains Brad Wong, Larry Minnis, and Pete Martel.

Returning next year to the varsity with Bob McDaniel and Bruce Crepeau will be Al Ricciardi, Paul Peterson, Ed Sikonski, and Mike Parisi.

Jayvees

Coach Andre Trudeau's Jayvees enjoyed another successful season with an 8 wins-loss record. Coach Trudeau employed two teams, one composed of Freshmen and the other of Sophomores.

Sophomores Ed Sikonski and Gerry Chevalier, and Freshman Dennis Seeley led the team's offense. These boys should see plenty of varsity action next year.

Also holding high hopes are Joe Tosches, Roy Dorval, Danny Watson and Dave Tampsett.

Top: B. Beggs, Brad Bulsar, Michael McIssac, Dave Minichiello, John Vadenais, Dave Alser. Middle: David Walls, Dave D'Allasandro, Alan Goodwin, Bill Paine, Michael Zariczeny, Mich Gregoire. Lower: George Chevalier, Bill Gadbois, David Connors, Dick Pellend, Coach Cheever.

Freshmen

A new edition this year to the basketball program is the addition of a Freshman team. Coached by Me. Cheever, most of the boys are those who didn't make the Jayvee team. This allows the boys who ordinarily wouldn't play a chance to play and improve in hopes of playing for the Jayvees.

SOFTBALL

For the Girls' Softball Team, 1969 was a great year. From a last place finish in 1968, the girls battled to a three way tie for first place in the Tri-Valley Conference. Led by Captain Chris Spont, they ended the year by tying with Nipmuc and Medway to whom they had lost in the regular season. Along with excellent coaching, Coach Woods felt she had the best battery in the league with M.V.P. Caroline Mazur on the mound and Diane Verhoest behind the plate. Finishing the year with an excellent overall record of 8 wins-3 losses, and a league record of 6 wins-2 losses, Coach Woods predicts that next year she'll have an even better team.

For the Blackhawks, 1969 was supposed to be their year. Pre-season favorites to top the league, but injuries and a shuffled infield prevented the Hawk's from capturing another championship. Co-Captain Al Dann's sore arm ruined his chances of bettering his 4-0 record. Also sharing mound duties were Co-Captain Bob Dupre, Mark Karakeian, and Denny McLaughlin. The team ended the year with an overall record of 10-7 and a league record of 10-4. Leading the offensive attack were Dave Karakeian, Phil Skrzat, Al Dann, and Don Galuza. Defensively, Bill Fournier, John Zinno, and Denis Hardy, came up with some great plays to stop the opposition. Next year the Hawk's team will have only five lettermen returning. Coach Canestrari will center his team around Mark Karakeian and Bill Brisson for battery mates, Denis Hardy in the infield, and Bill Fournier and Brad Wong in the outfield. Canestrari hopes to receive some help from the J-V squad to bolster his team.
